2,2m Taku branded umbrella digitally branded with latex ink, inclusive of cement base, ex factory.

Was: R2280.00 / Now: R1692.00 ex VAT

Latex inks provide outdoor durability & versatility together with high quality odourless prints and a reduced environmental impact. The water-based formulation provides healthier production than solvent inks without trading off performance. It contains no toxins and is safe for use in dining areas, hospitals, schools, clinics etc.

- An ideal branding solution for Hotels, Bars, Restaurants, Retail and Corporate
- Ideal for patterns, all-over photographic prints, gradients and colour fades
- No design limits
- Fast turnaround
- Low set up cost
- Easy re-orders
- Perfect for regular brand updates

Our water-based latex inks meet a range of stringent human health criteria represented by UL ECOLOGO and GREENGUARD GOLD certifications. *If your corporate mission statement includes a dedication to protecting the environment you should make latex ink a part of your marketing campaigns.*
